Claim 1 (Currently amended): A completely waterproofed bag means comprising a main body made of a mesh material as a whole except an opening portion thereof, a completely waterproofed inner bag to be put in the main body detachably, said main body including a plurality of hooks located on its outer surface,

and a smooth-surface outer cover which is detachably put on said plurality of hooks outside of said main body and formed to just fit on said main body so as to cover said mesh material completely.

Claim 2 (canceled)
